You have an appointment on _____ / _____ / 20_____

Your Appointment is at

Murray Valley Private Hospital. Norsdvan Drive Wodonga, VIC 3690 – (02) 6055 3100

ENT ALBURY WODONGA

What to bring?

All letters from your specialist, if given to you to bring.

All x-rays, CT scans and PET scans you have had done either on Compact disc or printed out.

A list of questions you may have. These will be addressed at the END when you are discussing the Team clinic recommendations with your specialist Doctor.

What will happen?

You will be seen by a group of Doctors who specialise in managing patients with Head and Neck problems. You will be examined, have your x-rays evaluated and then be asked to step back to the waiting room. The group of Doctors will then discuss the management options and make a plan for your treatment. The doctor who will lead your treatment will then discuss with you at length the treatment recommendations for your problem.

Which Doctors will be present?

Surgeons – Ear, Nose and Throat and Faciomaxillary (Dr Fogarty, Dr Tweddle and Dr Henessey)

Radiotherapist – Dr McCleod, Dr Miles

Chemotherapy – Dr Clark, Dr Underhill, Dr Eek, Dr Steer.

General Surgeons and other specialties on occasion.

We realise that this is a difficult time and you may have many appointments arranged for you in a very short period of time. This is to ensure we can make the best decision about your ongoing care.
